2ND GYMNASIUM OF XANTHI HOSTS ERASMUS+ MOBILITY

An unique educational experience in Xanthi, Greece as part of the Erasmus+ Program, held from October 2nd to 6th, 2023, with the theme "Computers in Your Life: Artificial Intelligence in Our Life". On the first day of this mobility, there was a plethora of enriching activities. Participants engaged in a fascinating workshop on "What is artificial intelligence (AI)?", followed by a guided tour of the picturesque "Old Town of Xanthi" and a cultural immersion at the art gallery "The House of Shadow".

The students also had the opportunity to participate in two very interesting workshops: "Learning about the Towers of Hanoi" and "Learning about the Missionaries and Cannibals Problem". Students and teachers also had the chance to explore the charming city of Kavala, the Panagia Monastery, the banks of the Nestos River, and an unforgettable excursion to the island of Thassos. In line with the objectives of this project, two enlightening workshops entitled "How Artificial Intelligence Affects Our Life" were also conducted, followed by the solemn presentation of participation certificates.
